"Normal service" means usage in the manner and for the purposes for which such goods are generally purchased and utilized and with respect to the loading, unloading and carriage of uniformly distributed legal loads of non-corrosive cargo, properly secured, in a manner which does not subject the vehicles to strains or impacts greater than normally imposed by lawful use on well-maintained public roads.

Your sole remedy under this warranty is limited to Doepker repairing or replacing at Doepker's factory or authorized repair station any part or parts thereof, which shall be returned on request, to Doepker, with transportation charges prepaid and which Doepker's examination shall disclose to its satisfaction to have been defective.

Doepker makes no warranty what so ever in respect to tires, tubes, brake drums and other attaching equipment, or to component parts specified by the customer in place of Doepker's published standard or optional components. Doepker also makes no warranty for goods which are not defective but may wear out and must be replaced during the warranty period, including and without limiting the generality of the foregoing, light bulbs, paint and brake linings.

**On any repairs under warranty, Doepker must be contacted and its approval given before any work is done.**

1. Doepker will not, under any circumstances, accept warranty bills that have not received Doepker's prior authorization.
2. Doepker will supply all warranty parts unless otherwise agreed to by Doepker and the Purchaser.
3. Invoices covering warranty parts and/or labour that Doepker considers excessive will be paid based on Doepker's cost of such parts and/or labour as if the work had been done at Doepker's factory.
4. Invoices submitted requesting warranty must indicate the hourly rate for labour and the labour time actually incurred.

**Doepker makes no warranties except as expressly stated herein and hereby excludes any implied warranty of merchantability or fitness for particular purpose. It is agreed that Doepker shall not be liable for incidental or consequential damages resulting from any breach of warranty including, and without limiting the generality of the foregoing, loss of income, damage to vehicle, attachments, trucks or cargo, towing expenses, or injury to or death of persons.**

**This instrument constitutes the entire agreement between the Purchaser and Doepker** and the Purchaser understands and agrees that no person is authorized to make any other warranties or representations which will be binding upon Doepker with respect to the sale of new trailers manufactured by Doepker.

**TRANSFERABLE WARRANTY CAN BE CONFIRMED BY CONTACTING DOEPKER INDUSTRIES LTD.**
